Original estimate:	Not Specified		

Attachments:  СНИМОК экрана 2025-01-08 140203.png

Description**Steps to reproduce**

1. Navigate to consumersenergymanagement.ca/savings-calculator

Expected result

The panel is located on the left side of the screen under the name “Products.” Below are listed functions that, when clicked, open a new page corresponding to each function. For example:

1. Products
2. Clicking- Cooling System and Products
3. Opens the new page - Cooling System and Products.

Actual result

When clicking on some elements in the “Products” column, they are not clickable, making it impossible to navigate the site. The following labels do not respond:

1. Cooling System and Products
2. Water Heaters and Tanks

3. Heating System and Products
4. Energy Efficient Humidifiers

 The picture can't be displayed.

Description

Steps to reproduce

1. Navigate to consumersenergymanagement.ca/savings-calculator

Expected result

When the site is opened, the “Functionality” panel is in its correct position at the top of the page. The user can u
navigate to other pages of the site.

Actual result

The functionality panel is located in the middle of the site, blocking other important features. This makes it impo
page in the middle of the screen.

 The picture can't be displayed.

Reproduced in Microsoft Edge.

Version 131.0.2903.86 (Official Build) (64-bit version)

Error from Microsoft Edge console:

```
<div class="menu-header-menu-container">
```
